

WEEKLY REPORT
1/31-2/6/10

During the months of November and December of 2009, the Newark Police Department investigated four residential burglaries that occurred to college student rental homes. Two occurred on North Street, one on North College Avenue and one on White Clay Drive. During the burglaries, electronic items such as gaming systems, games, DVD's, guitars and amplifiers were taken. During one of the burglaries a Sony PlayStation 3 was taken. The suspect used the stolen PlayStation to log onto the internet and made purchases using credit card information that was stored in the PlayStation. Detectives were able to track down the location where the PlayStation was being used by the IP address. Detectives then obtained a search warrant for the suspects' mothers' residence. During the search, a majority of the stolen property from the burglaries was recovered.

On Tuesday, February 9th, a fifteen year-old Newark resident (not identified due to the age) was charged with 16 crimes as follows: 4 counts of Burglary 2nd Degree (Felony), 2 counts of Theft > \$1500 (Felony), 7 counts of Theft < \$1500 (Misdemeanor), and 1 count of Unlawful Use of a Credit Card (Misdemeanor).

On Thursday, February 11th, a Newark resident was charged with "Falsely Reporting an Incident." Previously, on December 28th, the resident reported to Newark Police that he was robbed at gunpoint while walking through College Square Shopping Center. Detectives reviewed a surveillance video of the area and were able to determine that the robbery never occurred.

On Friday, February 12th, at 1:19 a.m., Newark Police responded to the Galleria on a report of a stabbing. Upon arriving at the scene, officers observed several drops of blood on the floor near Kildare's bar and restaurant. Employees from Kildare's told police that they had earlier ejected several patrons. Once outside the bar, the subjects began to fight with once person stabbing another. Both the suspect and the victim left prior to police arriving. Surveillance video captured the incident and is being reviewed by police.

The Newark Police Department was extremely busy on Wednesday, February 10th and Thursday, February 12th dealing with the snowstorm and other related issues.
