

## WEEKLY REPORT

05/16-05/22/10

On Saturday, May 22<sup>nd</sup>, at 11:30 p.m. a resident of Shenandoah Drive called police to report that he observed a white male standing on the back porch of his house, possibly trying to gain entry. When confronted by the homeowner the suspect fled. Immediately following, three white males were observed attempting to enter an unlocked garage on Wood Song Circle. The three suspects then entered a mid size car and fled the area, prior to the police responding.

On Sunday, May 23<sup>rd</sup>, at 1:55 a.m. an armed street robbery occurred in the parking lot of the Shell gas station located at 1005 South College Avenue. The two victims were walking through the parking lot when three suspects approached them. One displayed a handgun, and struck one of victims in the face with the gun. All three suspects demanded money from the victims. The victims complied and surrendered cash to the suspects.

At that time, two New Castle County Police Officers who had just finished a duty assignment were driving on S. College Avenue when they observed the robbery in progress and intervened. The suspects ran, and New Castle County officers proceeded to chase the suspects on foot. The New Castle County police officers were each able to catch and take a suspect into custody.

The gun used by the suspects was found discarded nearby. It was determined to be a BB gun that closely resembled an actual handgun.

Both of the victims were males 21 years of age. One of the victims was from Scottsdale, AZ and the second was from Dundalk, MD. Neither one of the victims is a University of Delaware student. The victim from Arizona that was struck with the gun, was taken to Christiana Hospital, and was treated for minor injuries and released. The other victim was not injured.

Both of the suspects were charged with two counts of Robbery 1<sup>st</sup> Degree and Conspiracy 2<sup>nd</sup> Degree. Both were transferred to the Department of Corrections on secured bond of \$2,200. The identity of the third suspect is still being investigated.

Traffic Control planning is currently underway for this weekend's University of Delaware graduation ceremonies and Newark Nite scheduled for next week.
