

WEEKLY REPORT  
09/26-10/02/10

On Friday, October 1<sup>st</sup> at 5:10 p.m., a three car collision occurred at the intersection of Paper Mill Road and Old Paper Mill Road. Two of the motorists were transported to Christina Hospital due to injuries. The third motorist was not injured. The road was closed for two hours while the investigation was conducted.

The weekend of October 1<sup>st</sup> through the 3<sup>rd</sup>, consisted of another busy weekend as the mild weather brought out hundreds of late night pedestrians. During the entire week, 37 arrests were made for alcohol violations and 14 arrests were made for disorderly premises.

On Monday, October 4<sup>th</sup>, at 3:51 a.m., the Newark Police Department received a call from a resident who stated he had shot and killed his wife. Officers responded to the residence and arrested the suspect. Officers discovered the wife in her bedroom with two bullet wounds to her head and signs of blunt trauma to the head. A handgun and a hatchet believed to be used in the homicide were found in the house. The suspect was charged with Murder 1<sup>st</sup> Degree, Possession of a Firearm During the Commission of a Felony, and Possession of a Deadly Weapon During the Commission of a Felony. After an initial appearance at JP Court 2, the suspect was held without bail.

In response to numerous citizen complaints, the Newark Police Department has been conducting aggressive education and enforcement of traffic laws. With our enforcement efforts, week to date, we have issued only 13 less moving violation summonses compared to year to date in 2009. Last year we were without a traffic division for four months due to unexpected retirements. As a result of the education and enforcement we have reduced the number of motor vehicle accidents by 95 week to date from 2009.

On Friday, October 8<sup>th</sup>, members of the Newark Police Department will be trained in the use of the new security camera system.
