

WEEKLY REPORT
06/19-06/25/11

On Tuesday, June 21st, Officer Wolfrom responded to a residence in the 200 block of Cheltenham Drive for a report that the victim was scammed into sending money to buy a used car. The victim began shopping online for a used vehicle and found one for a good price. Emails were exchanged and the victim agreed to send a deposit on the car. The victim wired \$2,650.00 via western union to Atlanta, Georgia. More contact was made via email and the "seller" wanted the full payment prior to shipping the car. The victim became suspicious and then learned that ad was fraudulent. The FBI has also been contacted in this case. There are no suspects at this time.

On Saturday, June 25th, Officer Fountain responded to the Southgate Garden Apartments at 3:04 a.m. for a report that two suspicious males, dressed in all black, exited a pickup truck and walked behind one of the apartment buildings. The building backed up to the old Chrysler plant so UDPD was called to check the plant area. Officer Fountain and Officer Martin checked the apartment complex and could not locate the suspicious suspects. UDPD checked the plant area with no one located. Officer Fountain remained in the area. At 4:16 a.m., the pickup truck left the complex. Officer Fountain stopped the vehicle for a traffic violation. There was now a large amount of scrap metal in the bed of the truck. It was determined that the suspects were stealing scrap metal from the plant. The suspects were turned over to UDPD for additional investigation.

On Sunday, June 26th, Corporal Kendrick responded to the first block of Thompson Circle for a report of a residential burglary that occurred sometime between Tuesday, May 31, 2011 and Sunday, June 26, 2011. The landlord of the property reported that she responded to the house to show it to potential new renters. The current tenants were out of town. The owner entered the residence and noticed that a rear window had been broken out. After looking around it was determined that part of the house had been ransacked and several different electronic items were missing. There are no suspects at this point in the investigation.

On Tuesday June 28, 2011 Officer Barnes responded to Pizza U in the Newark Shopping Center for a report of a commercial burglary. The owner had arrived to the restaurant and noticed that the side door was unlocked. He then checked the registers and noticed that money was missing from one of them. The owner then observed his surveillance footage and observed that one hour prior to his arrival an unknown suspect entered the business, with a mask on, and was able to open the registers. It was determined that the lock to the door had been damaged. The case has been turned over to detectives for additional investigation.
