

WEEKLY REPORT

8/21-8/27/11

A substantial amount of preparation and planning went into the hurricane that passed through the region this past weekend. During Chief Tiernan's absence, Captain Potts, as the Officer in Charge, and Captain Williams, as the Acting Emergency Management Coordinator, both did an outstanding job in preparing for the public safety response. All police officers, Communication Supervisor Ted Ryser and dispatchers worked many long hours to coordinate with other city agencies during the emergency.

The Newark Parks & Recreation Department acknowledged Corporal Darryl Saunders participation in "Safety Town" this summer. Cpl. Sanders was commended for his "high visibility as a policeman while also being a friend and mentor to the campers..."

Corporal Micolucci arrested four suspects and charged them with painting graffiti. Areas that were vandalized include; Scholar Drive, East Main Street, New London Road, Madison Drive, County Club Drive, and South College Avenue.

Due to the hurricane, the University of Delaware student move in days was rescheduled for August 30th and 31st. On the evening of the August 30th, numerous arrests were made at various off campus party locations. Two suspects at 151 West Main Street were uncooperative with responding to police officers. Both were arrested and transported to police headquarters for arraignment. The judge issued an order that no more than 16 people were to be on the premise at one time and a zero tolerance order for noise.

On Wednesday, August 31st, members of the Newark Police Department, University of Delaware Police Department and the Delaware Division of Alcohol & Tobacco Enforcement met to finalize plans for alcohol enforcement on university property and the city.
