

WEEKLY REPORT  
10/09-10/15/11

Corporal Micolucci in working with several area police agencies has completed a graffiti investigation that resulted in the arrest of six juveniles responsible for causing over \$10,000 in graffiti vandalism throughout Newark. Other graffiti related investigations continue.

On Sunday, October 16<sup>th</sup>, a suspect was observed on the Main Street CCTV cameras pushing over City trash cans, and attempting to engage in a fight with people passing by. Officer Wolfrom arrested the suspect for possession of marijuana and disorderly conduct.

The Traffic Committee met on Tuesday, October 18<sup>th</sup>. Previously, a subcommittee was formed to investigate traffic calming to reduce speeding on Country Club Drive. Rich Lapointe, Public Works Director was appointed chairperson of the subcommittee, with the help of Lt. Stanko and local area residents. The police department obtained traffic volume and speed counts. The committee is proposing two possible traffic calming changes in an effort to reduce speeding (a bump out and narrowing of the roadway on Country Club Drive at Stamford Drive). Next month a letter will be sent to area residents explaining the traffic calming proposals and request they send back a survey form voting for or against the changes. For the proposal to continue, 50% of residents must respond. Sixty-seven percent of the respondents must be in favor of the projects in order to proceed. If a favorable response is received, a mockup of the traffic calming changes will be put in place and speed counts will be taken. The new counts will be analyzed before a recommendation is made to city council.
