Subject: Newark Police Investigate Attempted Sexual Assault

The Newark Police Department is currently investigating an attempted sexual assault which occurred on November 14th at approximately 9pm in a field adjacent to the James F. Hall Trail in Phillips Park. At that time officers were dispatched to an address on Apple Road where they met with a 30 year old female victim.

The victim, who is new to the area, reported that she walked from her residence to the 7-11 on Elkton Road. After exiting the store she was confused on how to get back to her residence and while standing in front of the store was approached by the suspect who initiated conversation with her. The suspect then offered to show her the way back to her residence. The victim then walked with the suspect until the two ended up on the James F. Hall Trail adjacent to Phillips Park.

When she turned to leave the male grabbed her and knocked her to the ground where he proceeded to attempt to remove her clothing. The victim was able to fight off the male suspect and fled on foot to a residence on Apple Road where she reported the incident to the homeowner. The victim sustained minor neck and back pain but refused medical treatment. Newark Police and a K-9 team from UDPD checked the area for the suspect, however, he was not located.
