

WEEKLY REPORT
08/19/12-08/25/12

On Thursday, August 23rd at approximately 2:00 a.m., an unknown suspect forced entry into six businesses located in Suburban Plaza. In each of the incidences, the suspect gained entry by removing the exterior door locks and removed cash from the registers in several of the businesses. The suspect was arrested on Thursday, August 30th and charged with the crimes.

This past weekend was very busy with the University of Delaware back in session. Numerous arrests were made for Driving Under the Influence, as well as other alcohol related offenses. A press release was sent out on Wednesday, August 29th, as a reminder of the "Party Host Assistance Program." The program encourages residents to call the police if a party is getting out of control or if police assistance is needed with unwanted guests. The party host or attendees will not be subject to the same enforcement action as a complaint received from an independent caller. The goal is to assist the host in ending the party.

The Newark Police Department has on a weekly basis and again would like to remind residents that burglaries do and have occurred throughout the city. It is very important to lock your home and vehicle(s) at all times. Also, it is very important not to leave any valuables in vehicles, and to report any suspicious people or activity to the police immediately. We do not send out individual reminders or alerts for every burglary or theft from a vehicle that occurs.

Police Officer Jeffrey Mullin announced his notice to resign from the Newark Police Department. He will begin a new career with the Philadelphia Fire Department in September. We wish him the best in his new career.
