

WEEKLY REPORT  
09/09/12-09/15/12

Since Thursday, September 13<sup>th</sup>, the majority of the police department's time has been spent searching for a 64 year old male that went missing from his home on Cleveland Avenue. The man, who suffers from Dementia, walked away from his home and has not returned since. Newark Police dogs and a bloodhound from the Maryland State Police tracked the man's scent to Creek Road. That evening a terrain search was conducted with recruits from the Delaware State Police Academy as well as law enforcement officials. The following day, numerous Search and Rescue Teams from the region searched the area on foot, utilizing dogs and horses and continued through Sunday morning. Late Saturday evening a caller reported to police they may have seen the missing man in Hockessin. A bloodhound once again confirmed the man's scent and the search was moved to the Hockessin area. At this time the search and investigation continues.

On Saturday, September 15<sup>th</sup>, at 2:30am a 19 year old male and 18 year old female were robbed in the parking lot of the University Courtyard Apartments. The male's wallet and the female's cell phone were stolen. Both victims were physically assaulted by the suspects.

On Wednesday, September 19<sup>th</sup>, Lt. George Stanko conducted "Verbal Judo" training for our Parking Enforcement Officers and Animal Control Officer. This is a conflict resolution and verbal de-escalation training.

On Wednesday, September 19<sup>th</sup>, Corporal Micolucci and members of the Street Crime Unit conducted several search warrants related to graffiti. Several arrests were made and are being processed as this report is being written. Additional information will follow in next week's report.

On Friday, September 21<sup>st</sup>, our newest Police Officer, William Anderson will graduate from the Delaware State Police Academy. With the addition of Officer Anderson, the police department is three officers short of full strength.
