

WEEKLY REPORT

11/18/12-11/24/12

On Tuesday, November 27th, Chief Tiernan met with the department directors, Dana Johnston, and a representative of ATENA Fire, to review and update the city's emergency management plan for 2013. Updated pages will be distributed shortly. Some action steps were also discussed and implemented after a review of our response to Hurricane Sandy.

The following Newark Police Officers were recognized and will be awarded for their recent actions:

1. **Cpl. Adam Mease** was nominated for his actions during the investigation into multiple vehicle burglaries and related offenses plaguing the community of Stafford. Cpl. Mease's investigation resulted in the identification and apprehension of three juvenile offenders and resulted in over 120 criminal offenses. The offenses included burglary, conspiracy, theft, receiving stolen property, criminal contempt, breach of release and resisting arrest. Additionally, his investigation resulted in the recovery of the majority of the stolen property, which was returned to the community. At the conclusion of the investigation, Cpl. Mease drafted and distributed a community notification letter detailing the recent arrests along with crime prevention tips for the community. As a result of his efforts multiple homeowners expressed their gratitude towards Cpl. Mease and praised the entire police department for their professionalism and customer service. In addition to investigation the incident and arresting the offenders, Cpl. Mease used the opportunity to forge a positive and strong relationship with the community.

Also during the 3rd Quarter Cpl. Mease issued over one hundred traffic citations, twenty-nine criminal summons and he arrested five drivers for Driving Under the Influence.

Committee Recommendation: Officer of the Quarter

2. **Cpl. Robert Sharpe** was nominated for his actions on July 25th, 2012 after responding to a car fire. Upon his arrival, Cpl. Sharpe found a vehicle on fire with flames coming from the engine compartment of the vehicle. This was of particular concern to Cpl. Sharpe as the vehicle was parked in the attached garage of a home. Acting quickly, Cpl. Sharpe used the fire extinguisher from his vehicle to control the flames until fire department personnel could arrive on scene to completely extinguish the fire. Cpl. Sharpe is credited for saving both the garage and house from fire damage. Because of his actions the home suffered no damage and the 79 year old resident was not displaced from the home.

Committee's Recommendation: Letter of Commendation

3. **Communication Officer Lowell Silverman** was nominated for his actions on September 28th, 2012 which led to the recovery of a vehicle involved in a shooting. On this date, while off duty, CO Silverman responded with Aetna Hose Hook and Ladder to a vehicle fire in the parking lot of an apartment complex outside of the City. The fire was extinguished and it was determined that it was intentionally set. The scene was turned over to NCCPD and the State Fire Marshall's Office for further investigation. On September 30th when he arrived at work he received information on the suspect vehicle from the shooting and recognized that it was possibly the same vehicle from the arson. CO Silverman provided this information to detectives who learned that the arson occurred approximately twenty minutes after the shooting. Detectives also learned that the vehicle was never towed from the scene. They located the vehicle still in the parking lot and, pursuant to a search warrant, found key information linking the suspect to the shooting. It was determined that the suspect had set the fire in an attempt to derail the investigation.
