

## WEEKLY REPORT

12/09/12-12/15/12

On December 13<sup>th</sup>, Chief Tiernan and Captain Williams met with Councilman Clifton and a Newark resident, who is also a professor at the University of Delaware. The resident wished to discuss police and quality of life concerns in Newark. The resident brought with him, a news article from 1988 concerning “rowdy renters”, which showed that the issues the city faced in 1988 have not changed.

This week the Newark Police Department was notified that they were awarded a \$57,000 grant to purchase eleven (11) in-car video cameras. Upon installing the additional cameras, a total of 21 Newark police cars will be equipped.

On December 16<sup>th</sup>, at approximately 5:30 a.m., a motorist found a three year old child wandering on Elkton Road. The child awoke during the night and exited the apartment he was staying in. The child has been safely returned to his mother.

Last month Newark Police received a missing person report for Ms. Linda Hegg a 56 year old Newark resident. After alerts were sent out, Newark Police were contacted by the Toronto Canada Police Department. They had an unknown woman that wandered into a shelter in downtown Toronto on September 5, 2012. The woman did not know her name or where she was from. A DEA test was conducted and the woman in Toronto was positively identified as Linda Hegg. Ms. Hagg has been returned to Newark.

On Thursday, December 20<sup>th</sup>, members of the Newark Police Department and Aetna Fire Department will be delivering “Toys for Tots” to needy children in Newark.
