FOR IMMEDIATE RELEASE

SUBJECT: NPD Make Multiple Arrests in Two Separate, But Related, Robberies

Newark Police have arrested four Maryland teens for their involvement in two separate, but related robberies which occurred on February 15th and 18th, 2013.

During the first incident on February 15th, at approximately 11:30pm, a 19 year old from Newark, was walking on South Chapel Street at Scholar Drive, when he was approached by three black male suspects who engaged him in conversation. While talking to the suspects, the victim was struck from behind and knocked to the ground. The suspects removed the victim's wallet from his pants pocket before fleeing. The victim did not report the incident to police until February 19th after reading local news reports of the February 18th robbery (described below). The victim's credit card was used later that night and the next morning at several locations in Elkton, Havre de Grace and Baltimore. Using video surveillance obtained from multiple locations, detectives positively identified Brandon Gatewood of Elkton for his involvement in this robbery. Detectives continue to investigate the identity of the other two suspects in this incident.

Further investigation into the February 15th robbery determined that Brandon Gatewood was also involved in a February 18th robbery which occurred at approximately 1:35am. During that incident, a 24 year old male victim was walking on East Delaware Avenue when he was approached from behind by three suspects, one of whom, later identified as Brandon Gatewood, placed what appeared to be a gun to his face. The victim was then knocked to the ground and was kicked and punched repeatedly in the head and face by two additional suspects, identified as Lawrence Ray and Anthony Gatewood, both of Elkton. The suspects fled with the victim's wallet and cell phone to a waiting vehicle which was determined to be operated by Yannick Gray of Perryville, Maryland.
