

WEEKLY REPORT
06/30/13-07/06/13

The Newark Police Department has received a federal grant in the amount of \$22,450.00 to combat domestic violence. The majority of the funding will be used for the purchase of a Cellebrite Physical Analyzer and a high performance lap top computer. The analyzer and laptop are critical to improving the investigation of domestic violence and stalking cases. These devices enable investigators to obtain, extract, analyze, and preserve invaluable evidentiary data stored or used on cellular and electronic devices. A portion of the funding includes training an officer on the equipment. Additional funding from the grant will be used to send our Victim Services Coordinator and two officers to a national conference on using technology to combat domestic violence.

On July 9th, while conducting speed enforcement on Otts Chapel Road, M/Cpl. Keld stopped a pickup truck for speeding. During the course of the stop, the officer discovered that the operator of the vehicle was wanted on an outstanding robbery warrant from Newark. The suspect was taken into custody as an accomplice of the Fairfield PNC ATM robbery on May 13th, the Domino's robbery on May 17th, and the T-Mobile Robbery on May 23rd. The other accomplice in the robberies had previously been arrested. M/Cpl. Keld did an outstanding job in going beyond the initial traffic stop.

Detective Micolucci, Cpl. Adam Mease, and Officer Will Smith have raised \$7,800.00 for the Newark Police Department trading card project. Mayor Funk, local businesses and community groups contributed funding for the project. While they are still \$1,500 short of the total funds needed, work has begun on the project. Each member of the police department will be photographed for a baseball style trading card. The trading card program will be announced at the elementary schools in September. Officers will give out cards to any child who requests one. An officer of the day will be held once a week at the police department for children to meet and collect a trading card of officers that work in plain clothes or in the administrative units. The first three children to collect a complete set of trading cards will win a bicycle and helmet. These officers are to be commended for undertaking this project on their own and improving the positive interaction between police officers and our younger residents.

Detectives continue with their exceptional clearance rate of investigations. Recent burglaries and thefts have been closed out by arrest.
