FOR IMMEDIATE RELEASE

August 27, 2013

**City of Newark to Host Public Information Session About
The Data Centers LLC Proposed Project and On-Site Generation**

Newark, DE (August 27, 2013) – The City of Newark will host a public information session regarding the proposed Data Centers LLC project and its associated power generation facility on **Tuesday, September 3, 2013 at 7 p.m. at the George Wilson Community Center located at 303 New London Road.**

The purpose of this information session is to provide The Data Centers LLC an opportunity to inform residents about all aspects of their proposed project, which is intended for development at University of Delaware's STAR Campus. A presentation will be made by representatives of The Data Centers LLC followed by the opportunity to ask questions.

Residents not able to attend the session will be able to review The Data Centers' responses to questions as well as all documents presented at the meeting on Newark's website at www.cityofnewarkde.us or obtain copies of the same from the City Secretary's Office soon after the session.
