

WEEKLY REPORT
09/22/13-09/28/13

A review of our crime statistics year to date looks very good. We have had 13 less actual robberies than this time last year. Simple assaults have decreased by 260 incidents, criminal mischief has been reduced by 72 incidents, burglary has decreased by 52 incidents, and thefts have decreased by 105 incidents. This reduction is a credit to the men and women of the Newark Police Department who have been aggressively patrolling our identified "hot spots". Our Criminal Investigation Division continues its high clearance rate of criminal investigations.

Copies of the "Resident Awareness & Emergency Preparedness Guide" were made available in the city hall lobby last week. A large number of the guides have been taken by members of the public and the guides have been replenished. We are looking into the cost of publishing a guide more specific to Newark.

The Newark Police have arrested a 23 year old resident of Newark for DUI and related charges after he struck an undercover Newark Police vehicle and fled the scene. The incident occurred at approximately 9:11 p.m. on September 26th when two plain clothes NPD officers, members of the Newark Police Department Street Crimes Unit, were stopped at a red light in an undercover vehicle on North Chapel Street at East Cleveland Avenue. While stopped, they were struck from behind by a vehicle operated by the suspect. Following the collision, the suspect reversed his vehicle and then proceeded the wrong way on the "dog leg" of East Cleveland Avenue. The officers followed the suspect as he continued westbound on East Cleveland Avenue and radioed the incident and the vehicles location to marked units who converged on the suspect's vehicle after he drove into the Oaklands neighborhood. Uniformed officers' initiated a traffic stop on the suspect who stopped his vehicle as soon as they activated their emergency equipment. Following a DUI investigation, the suspect was arrested for DUI and related charges. The suspect was not injured during the collision. He was released from custody following his arrest. The two NPD officers were transported to Newark Emergency Room where they were treated and released without serious injury.
