

WEEKLY REPORT  
12/22/13-12/31/13

The police department is in the process of finalizing the 2013 year end crime numbers. We have seen a significant decrease in crime in the City of Newark over the past seven years. During this time period, robberies have decreased by approximately 66%, aggravated assault has decreased by approximately 68%, and burglary by approximately 52%. Final numbers should be available by the end of the week however in these and other categories, crime has been reduced by more than half. The 2012 and 2013 year to date statistics shows our continued yearly decrease. Our Fall Crime Suppression Plan, as well as proactive policing by our patrol offices, detectives, Street Crime Unit, and Special Operations Unit, has done an outstanding job in dramatically reducing crime in Newark.

The Newark Police Department is investigating a robbery which occurred on December 31, 2013, at approximately 9:50 a.m. at the Verizon Wireless Store located in Suburban Plaza Shopping Center in Newark.

During this incident two black male suspects wearing hooded sweatshirts with their faces concealed, entered into the Verizon Wireless Store. One of the suspects armed with a handgun, approached a 60 year old male clerk who was seated on a stool and knocked him to the ground. The 60 year old victim was then forced into a closet in the back of the store. The second suspect approached a 55 year old male clerk and forced him to a back store room where he demanded the clerk turn over cellular phones. After relinquishing an unspecified number of phones, the second clerk was then forced into the same closet with the other victim. The suspects then fled out the front of the store in an unknown direction.

Newark Police officers, including an NPD K9 team responded to the scene where a K9 track was conducted, however, the suspects were not located. Neither victim was injured during the robbery.

The department is preparing and coordinating with other departments, in preparation for the predicted overnight snow on January 2<sup>nd</sup> into the 3<sup>rd</sup>.
