

WEEKLY REPORT
01/19/14-01/25/14

The Newark Police Department continues to investigate attempted fraud complaints involving utility customers in the City of Newark. During the recent incidents the callers have targeted both residents and businesses. Typically, the caller states they are from the electric department or similar utility, claiming that they have delinquent accounts and that the customer must send money or their utilities will be shutoff. Residents and utility customers are encouraged to use caution if receiving a similar call. No account or personal information should be provided during an unsolicited call of this nature. If a resident or business owner is in doubt, they should disconnect the call and call their service provider directly. If the caller claims to represent the City of Newark and residents are in doubt they are asked to call the Police Department at (302) 366-7111 and/or the Electric Department at (302) 366-7050.

Residents continue to leave valuables in unlocked vehicles parked in their driveways or in front of their house overnight. People continue to walk along at night, open the unlock vehicles and remove computers, cameras, GPS units, cash, compact discs, etc. One resident left a spare key in their unlocked vehicle, which the suspect used to start the vehicle and drive away in. As always, residents are cautioned not to leave valuables in their vehicles and to lock the doors when leaving the vehicle.

M/Cpl. Philip Magorry submitted his paperwork to retire from the Newark Police Department. M/Cpl. Magorry was an extremely active member of the department and spent several years in the Street Crime Unit. M/Cpl. Magorry began his new career with the State of Delaware Capital Police on January 27th. We wish him all the best in his new career.
