

WEEKLY REPORT  
02/02/14-02/08/14

Newark Police are investigating an attempted robbery which occurred at approximately 7:00 p.m. on Tuesday, February 11<sup>th</sup> at the intersection of West Park Place and Apple Road in the City of Newark. During the incident, a 19 year old female victim was walking westbound on the north sidewalk of West Park Place when she was approached from behind by an unknown white male suspect. The suspect grabbed the victim from behind, displayed a knife and demanded her property. When the victim told the suspect she had no property, he pushed her to the ground and fled northbound on Apple Road. The victim, a 19 year old University of Delaware student, was not injured during the incident. Following the robbery attempt, the victim ran to her home on South Main Street and contacted NPD. Officers from NPD responded immediately to the scene and a K9 track was conducted by a UDPD K9 team, however, the suspect was not located. The suspect is described as a white male, 5'6"-5'11" tall with a muscular build. The suspect was wearing a black hooded jacket with the hood pulled up over his head.

Two new police recruits have been hired and will begin training at the Delaware State Police Academy on February 24<sup>th</sup>. Recruit Nate Graber, a military veteran, worked part-time for the Newark Police Department in the records office prior to being hired as a police officer. Recruit Adam Heath is the son of a Pennsylvania municipal police officer and is proud of his diverse family heritage.

The first of our three firearm qualification sessions began on February 12<sup>th</sup>. Over the course of the next two months, each police officer is required to report to the firearms range and requalify with their weapons.

In what seems to be a usual occurrence this winter, we are preparing for the snowstorm forecasted for Delaware on Thursday, February 13<sup>th</sup>.
