Lights Activated for Nighttime Play on Newark Tennis and Basketball Courts

Newark, DE (March 10, 2014) –The Newark Parks and Recreation Department is activating the lights at its tennis and basketball courts for night time play this week. Tennis and basketball courts are located at neighborhood parks throughout the City.

Courts are available on a first come, first served basis. However, tennis court use is limited to one and a half hours when others are waiting to play.

The Parks and Recreation Department offers instructional tennis classes for children and adults wanting to learn to play the game or improve their playing skills. For information on court locations and instructional classes, visit at www.cityofnewarkde.us/parksrecreation or call the Parks and Recreation Office at 302-366-7060.
