FOR IMMEDIATE RELEASE

June 3, 2014

Newark Traffic Advisory

Road Construction on Paper Mill Road at Curtis Mill Park & Wedgewood Road Closure

Newark, DE (June 2, 2014) – Two road projects within city limits that may cause delays begin the week of June 9. The City urges that motorists use caution while traveling in the area and use alternate routes when necessary.

- Delaware Department of Transportation (DelDOT) and Reybold Construction, Newark's contractor for the Curtis Mill Park project, will begin making necessary road, signal, and park entrance improvements on Paper Mill Road. The work could extend into late July. Traffic and pedestrian travel lanes will be altered during this phase of the project. Contact Parks and Recreation Director Charlie Emerson at 302-366-7060 with questions.
- Wedgewood Road will be closed to through traffic starting June 9 through August 30 for construction associated with a DelDOT bridge culvert replacement. The closure will be located between the intersections of Bennington Drive and Fox Lane. For questions related to the project, please contact DelDOT at 302-326-4400.
