

WEEKLY REPORT  
07/20/14-07/26/14

Sergeant Scott Rieger has been selected by and recently began attending the Federal Bureau of Investigation National Academy in Quantico, Virginia. The FBI National Academy is a professional course of study for U.S. and international law enforcement leaders that serves to improve the administration of justice in police departments and agencies at home and abroad and to raise law enforcement standards, knowledge, and cooperation worldwide. Its mission is "to support, promote, and enhance the personal and professional development of law enforcement leaders by preparing them for complex, dynamic, and contemporary challenges through innovative techniques, facilitating excellence in education and research, and forging partnerships throughout the world."

Master/Corporal Gerald Bryda has been preparing for our December 2014 on site assessment by The Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA). Two members of the commission will be onsite for several days reviewing the departments written policies. This review is conducted every three years and the Newark Police Department always passes with high marks.

The Newark Police Department is in the preliminary stages of an investigation into a robbery and shooting which occurred earlier this evening on Thorn Lane in the City of Newark. At approximately 5:30 p.m. in the unit block of Thorn Lane, a male victim in his 20's reported that three young black males robbed him of his cell phone. The victim reported that he recognized at least one of the suspects and that approximately two and a half hours later, he responded to the suspect's home in an adjacent apartment building. The victim made contact with two of the suspects out in front of the building and an argument ensued. During the argument, one of the suspects displayed a small handgun. The suspects eventually fled on foot and while fleeing, the suspect armed with the gun, turned and fired one round at the .victim. The victim was struck in the hand, however, he denied medical treatment.
