

WEEKLY REPORT
11/02/14-11/08/14

On November 8th, at 9:20 a.m., Officer William Anderson and Corporal Sansone responded to a report of a 42 year old female who had a seizure and was not breathing. Upon arriving at the scene the officers checked for a pulse and did not find one. The AED was attached to the patient and a shock was administered. The officers then performed CPR. Paramedics arrived and assisted the officers with CPR and administered two more shocks from the AED. After the third shock, the patient's heart began beating. The patient was transported to the hospital.

Chief Tiernan, Captain Feeney, and Parks and Recreation Director Charlie Emerson, conducted a site visit to the Fountainview development, in response to a complaint of people walking through the complex and crossing the railroad tracks. It was determined that additional fencing on the Fountainview side would not be an option, due to the need for access to gas pipes near the railroad tracks. Director Emerson is working on some physical changes that could be made on the other side of the tracks on university property. Amtrak Police were contacted and also notified of the issue. Two Amtrak Officers met with Newark Officer Adam Stevens to discuss the problem. Amtrak Officers will increase patrols in the area. On November 11th, former Councilmember Jerry Clifton saw two Amtrak Officers checking on the site at Fountainview, and he further discussed the issue with them.

Captain Feeney is assisting the Middletown Police Department with their current promotion process. Captain Feeney is one of the members of the police promotion oral board.

Due to declining participation and fundraising, the Newark FOP Lodge has decided not to continue the Nefosky run in 2015.
