

## WEEKLY REPORT

Our Criminal Investigation Division has been very busy. This week they arrested a suspect connected to a September 9<sup>th</sup> burglary. When the patrol officer responded to the burglary he was able to find and lift the fingerprints of the suspect. After the suspect was identified, a warrant was issued and the suspect was arrested. An arrest from a recent armed robbery was made on September 21<sup>st</sup>. More details on this arrest will follow.

On September 19<sup>th</sup>, members of the Newark Police Department, with assistance from the Delaware State Police, Delaware Alcohol and Tobacco Enforcement, University of Delaware Police, and Middletown Police Department conducted a controlled party dispersal operation. Officers arrested 180 people for underage consumption of alcohol. One person was found to be unresponsive and was transported to the emergency room. The goal is to reduce the number of extremely large house parties that disrupt neighborhoods and endanger the underage consumers of alcohol.

The Citizen's Police Academy began on Wednesday, September 20<sup>th</sup>. Fifteen (15) people are participating in this year's class. Several of the participants are students at the university. During the first session, participants were welcomed by Chief Tiernan and Deputy Chief Farrall, and then given a tour of the police station as well as an overview of the program.

At the police roll call on September 21<sup>st</sup>, Chief Tiernan presented awards to several officers. Sergeant Szep and Officer Spencer were given awards for thwarting a murder/suicide and arresting the suspect just prior to his attempt. Master Corporal DiFrancesco, Corporal Smith, and Corporal Sharpe, were presented with awards for tracking a suicidal person who was located on Creek Road, barely visible under a pile of leaves. The person was unresponsive with a faint pulse after taking an overdose of medicine, and was transported to the hospital.

Master Corporal DiFrancesco was presented with an award for saving lives of a total of five (5) individuals, by administering Narcan to these individuals that had overdosed on drugs and were unresponsive.

Planning has begun for this years, University of Delaware homecoming weekend on October 28<sup>th</sup> through October 29<sup>th</sup>. As always, extra officers will be working and the police department will coordinate with City of Newark Code Enforcement.
